To whom it may concern

It is a distinct pleasure to recommend to you the Minicards company, by Mr. Arnold Gruppen and Mr. Rick Blom. In my capacity as Sales & Marketing Coordinator BeNeLux for Global Refund I have worked closely with Minicards for more than 6 years already.

Minicards is an unique concept and has proven to be a perfect tool to reach tourists and business travelers. Besides that, the distribution network is rather extensive, and offers global advertisers a perfect coverage in many countries worldwide.

I recommend without any reservation Minicards to you. It can be a great asset in your promotional strategy in any company.

Kind regards,
Global Refund Holland bv
