Dear Colleagues,

Since a number of years we are using Minicards. Both Front Office Staff and Concierges love the cards since it so easy to provide 'tailor made' information to hotel guests. All on a handy 'credit card' size format including address details and directions to explore the city or just for dining out. The rack with Minicards is discrete and stylish and fits in all traditional and contemporary hotel lobbies.

We also have a pleasant working relationship with the Minicard Company. As an Hotelier I surely can recommend this product and Company!

Please do not hesitate to contact me if you need additional information.

Warm regards,
