### LETTER OF RECOMMENDATION

We are glad to confirm that we have been cooperating with Minicards Warsaw since 2005. It has proven to be a very straightforward and functional international tourist information system, a system that promotes Warsaw among both domestic and foreign tourists. We recommend Minicards as an excellent source of information for hotel guests about museums, theatres, art galleries, restaurants, clubs and other places worth visiting in Warsaw.

DYREKTOR  
STOLECZNEGO BIURA INFORMACJI  
I PROMOCJI TURYSTYCZNEJ

*Barbara Tekieli*
